Our April 2011 Youth Camp was a tremendous success with a number of souls accepting Christ, & many for other spiritual decisions - *all because people like you are willing to sacrifice* - Thanks

NATIONAL PASTOR

In our last letter we had asked for prayer for our Associate Pastor, Bro. Martin McCann, who was suffering a mysterious illness. I am thrilled to inform you that although doctors could not fully diagnose his illness, he is nevertheless doing much better. *Thank you so much for your faithful prayers.*

ANNOUNCING: OUR 2012 FURLOUGH: We're NOW preparing for our 2012 Furlough. Our intended time back in the States will be from mid April through to November of 2012. It is VITAL during this trip that we raise additional support. The economy here has continued to spiral out of control and the dollar is the weakest in recorded history. Please pray for open doors and thank you so much for your faithfulness.

OUR COMMUNITY SUFFERED A MAJOR CATASTROPHE

A huge explosion rocked our homes - shortly thereafter the Mayor called upon us in a state of emergency

The Lord is still working on the "land lease rates" situation - but it happens in the most unusual ways. Recently our community suffered a fatal gas explosion at a work two blocks from our Church. On June 4th, in the early morning hours an explosion rocked our homes. Shortly thereafter the Mayor of Auckland called to ask if our Church would be able to help by opening our doors to the workers and victims, as a staging area to feed and minister to those who came. Within the hour, we had donated food delivered, our church cooks, and a team of helping hands to swiftly accommodate the request. Later, we found out that the Mayor had asked who in the community would be able to help on short notice - a rainy holiday weekend - and the Government Official who has been working on our behalf in the land lease circumstances said "Grace Baptist is the only one." We grieve with the loss of life and injured. I believe the Lord is STILL working through these circumstances as we wait.

Healing Of A Sinful Heart: God's healing of a sinful heart is an amazing thing to witness after the salvation of a soul. We have had the distinct privilege of such occasion - and all within an incredible week's time. You see, Liam is a smart young boy who has been greatly troubled with foul behavior in home and in school. He became school bully, thief and liar, fighting and cursing. My wife spent many a phone call with a crying mom. But on June 8th, Liam decided to give his heart to the Lord - no more fighting, no more stealing, lying, fighting or cursing. He takes his Bible to school and highlights verses he reads. No more behavior problems at school or home - the miraculous healing of a sinful heart! Thank you so much for partnering with us for souls!
